- in case b) above upon presenting the required documentation, I may apply to begin my studies at a later date.

Place, Date

Signature

There is no statutory obligation to provide information. However, acceptance is conditional on your full completion of this application form. The individual data is gathered in accordance with the relevant paragraphs contained in the statutes of the Ministry of Science and Art in Baden-Württemberg dealing with the handling of the personal data of applicants for study, students and examination candidates for administrative purposes at universities (28.02.1992) in conjunction with § 4 para 1.1 of the data protection law (LD SG) and the statutes of the Government of Baden-Württemberg concerning academic qualifications in Universities of Applied Sciences (Dipl.-VoFH).

This application is necessary in its currently valid form in accordance with the HVVO of the Baden-Württemberg Ministry of Science and Art concerning the awarding of study places at universities.

This application will only be processed if all required documents are enclosed.

No confirmation of receipt of your application is issued by the HFT Stuttgart. You will be informed if you enclose a stamped addressed envelope.

General remarks

1. Please complete the application in block capitals, i.e. legibly, and cross where appropriate.
2. Please do not enclose original certificates of entitlement to admission to college, education, etc., but only certified photocopies or certified handwritten copies.
3. Certificates of education and job activity are only recognized up to their date of issue.
4. German nationals who have while abroad obtained entitlement to admission to college, must enclose
 - a) this certificate with a German translation as a certified photocopy or certified handwritten copy, and
 - b) confirmation by the Baden-Württemberg Ministry of Education and Sport, Postfach 103453, 70173 Stuttgart, of the equal status of the educational background, with calculation of the average mark (grade).
5. Non-German and stateless applicants with an entitlement to admission to higher education obtained abroad must enclose the certificate together with a certified photocopy or certified handwritten copy.
6. Please note that failing to meet the deadlines for applications may lead to exclusion.

In case of an acceptance:

I do agree that the in the application enclosed information (such as name, contact information, picture, etc.) will be used by the SCS master programme to compose posters and student lists which will be shared with lecturers and other SCS students.

Furthermore, I hereby agree that movies and/ or pictures which will be made of my person in relations to the Master in International Project Management can be published by the Hochschule für Technik Stuttgart.

The publication refers to the reporting within the framework of

- The journalistic Hochschul-public relation work (online/print)
- The publication in Hochschul-publications (brochures/fylers/books/newspaper)
- Hochschul-Website and
- The Hochschul-Account in social media networks

For these purposes I sign for an unlimited time all rights to the Hochschule für Technik Stuttgart and I will not have any further demands in terms of copyright, usage rights and personal rights.

Master Programme Smart City Solutions (M.Eng.)

Selecting preliminary semester

To get the Master's degree in Smart City Solutions 300 credit points are necessary.

In case of a first professional university degree with 6 semesters of regular study time and 180 Credit Points, additional academic achievements of 30 Credit Points must be proven or be acquired during the Master's course. The selection of appropriate modules is determined in consultation with the responsible dean and must be confirmed by the Examination Board.

An essential prerequisite is a good command of the German language for the preliminary semester.

The preliminary semester is only possible in fulltime and not necessary for those who will study the MBA.

I will take part in the preliminary semester.

Yes No (Please mark appropriate answer)
